	<p><b>Location details</b> Bacon Theatre, Dean Close School, Shelburne Road. Cheltenham, GL51 6HE Stage/Wings</p> <p><b>Cost details</b> Travel – petrol cost Parking is free</p> <p><b>Health / safety issues</b> See risk assessment for more detail –           <ul style="list-style-type: none"> <li>• People – walking around/coming on and off stage</li> <li>• Wires – trip over</li> <li>• Dark – low light visibility</li> </ul> </p> <p><b>Access / legal concerns</b> As Sally Prout have hired out the venue there are no legal concerns.</p> <p><b>Power supply comments</b> There aren't power sockets available so will have to bring spare batteries and make sure that they are charged up fully before going to location.</p> <p><b>Weather concerns and precautions</b> Filming is happening inside so there is no weather concerns or precautions.</p> <p><b>Distance comments</b> From home it is a 30-minute drive (allowing 15 minutes for traffic)</p> <p><b>Creative justification for locations suitability</b> Its where all of the shows are taking place so the 3 people will be there. During the shows I am wanting to film from the side of the stage so need to film from here. It shows the audience a different perspective of the show rather than from the auditorium. Helps to capture the feel that the shows have for the people in it.</p>
	<p><b>Contingency planning:</b> If location is to become unavailable, then the documentary interviews will be re-done in the homes/documentary will have to be re-structured.</p> <p><b>Other notes regarding the location</b> This is a private school so there are pupils still attending so need to be aware of this when carrying kit around/ to and from car.</p>
